

Benedict's La Strata

40 N. Williams Street - Brink Street Market

815.459.6500

Opened in 2008 in the heart of Downtown Crystal Lake at the corner of Brink and Williams St., **Benedict's La Strata** has become a gathering place for both professionals and families alike, with an inviting atmosphere, friendly service and familiar faces.

Stop in for breakfast or lunch and experience the outdoor patio seating, where patrons can enjoy the remaining days of summer or delight in dinner on Thursday, Friday and Saturday nights. Thursday night at **Benedict's La Strata** features live music performances from 6 to 9, combining dining and entertainment. Upcoming artists include Sessions, a jazz quartet, and Gypsy, the male-female duo. Don't miss the chance to dine al fresco in the company of local musicians!

Benedict's menu offers a wide variety of freshly prepared salads, sandwiches, burgers and breakfast favorites. Each item is made with the freshest produce and ingredients, for a quality meal with unique flavor. Specialties include many different takes on the classic Eggs Benedict, as well as the restaurant's namesake Strata; baked bread and egg casserole made savory or sweet. Also offered are seasonal specials made to showcase ingredients in-season. This summer be sure to sample the Moroccan Omelet and the Arturo's Strata Ole.

More summer classics include freshly squeezed fruit juices, crisp, cold salads and the always refreshing Bloody Mary or Mimosa to complement your dining experience. From 7 to 11 Monday through Saturday, **Benedict's** offers beignets and coffee in the style of a New Orleans café. These delightfully light pastries dusted with confectioner's sugar are available in classic or apple flavors. Another Cajun-inspired dish is the popular Jambalaya eggs. While their cuisine has a multitude of influences, each dish is crafted purposefully to best represent flavor and innovation.

The restaurant complements the downtown area and surrounding businesses. Restaurant manager Larry Smith, was attracted to the location. "The vitality of the Downtown Main Street association and good business environment draws the clientele we like to serve." The atmosphere of **Benedict's** is both classic and casual, a neighborhood place where patrons can be greeted with a smile and know their waitresses by name, which brings them back time and again.

Their loyal customer base made **Benedict's La Strata** the most awarded business in this year's Best of the Fox. The restaurant is closely involved with the Downtown Crystal Lake Main Street Association as well, and supported this year's "Reader's Quest" summer reading program at the Crystal Lake Public Library.

Whether you're looking for a quick bite with hearty and wholesome preparation, or looking for a spot to gather friends and family, **Benedict's La Strata** offers excellent service and a comfortable atmosphere, along with award-winning cuisine. The décor is inviting, the food is delicious and you will always feel welcomed by their gracious staff.
